**Incident Summary:** On August 31, 2020 at approximately 6:13 p.m. officers were dispatched to the area of 1701 Joyce Avenue on a Shotspotter alert for gunshots in the area. Upon arrival officers located shell casings and an uncooperative witness. Moments later there was a shooting victim that was dropped off at Ohio State University Hospital East, who stated he was at 1701 Joyce Avenue when he was shot. Officers secured the witnesses and the scene. Apparently while a group of people were having a cook out at the shelter house, a vehicle drove through the park and began shooting at them, striking the victim one time in the back.
